Individual Assignment 2

TITLE: PROFILE MANAGEMENT SYSTEM

PREPARED BY:

NAME	STUDENT ID	GROUP
AYUNI FARHANA BINTI ROSLI	2024234738	CDCS2664A

PREPARED FOR :

SIR MUHAMAD RIDHWAN BIN MOHAMAD RAZALI

DATE SUBMITTED :

21 JUNE 2026

PROJECT DESCRIPTION

The Personal Profile Management System is a web-based application developed using HTML, Java Servlet, JSP, JavaBean, JDBC, and Database. The system allows users to manage student profile information efficiently by storing data in a database rather than displaying it temporarily.

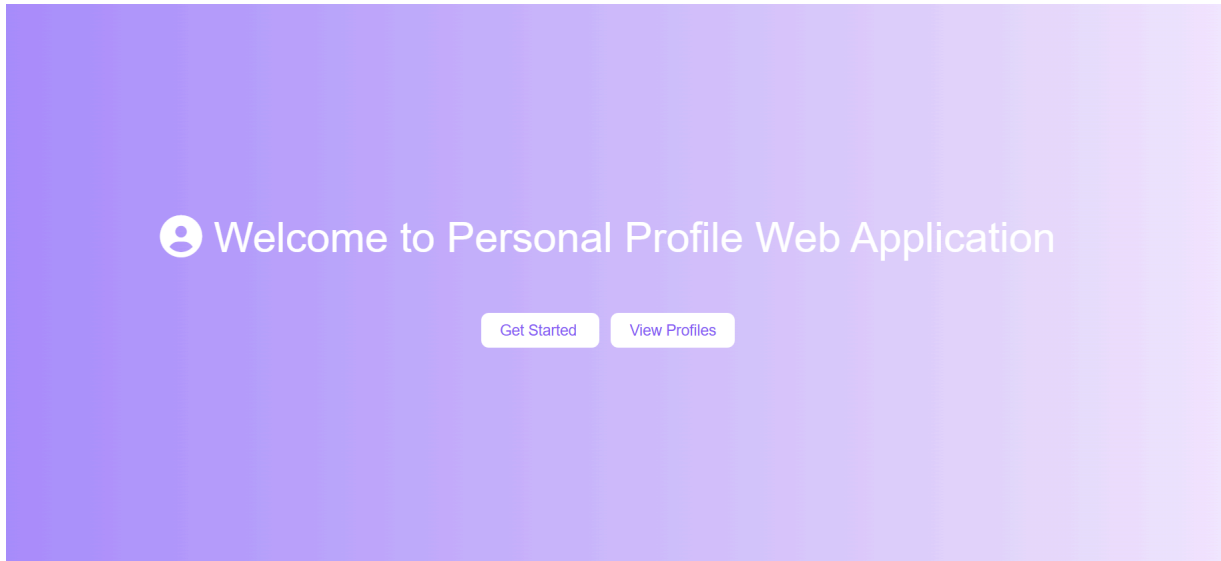

The application follows the Model-View-Controller (MVC) architecture, where the JavaBean acts as the Model, JSP pages serve as the View, and Servlets function as the Controller. Users can create, view, update, search, and delete profile records through a user-friendly interface.

IMPLEMENTED FEATURES

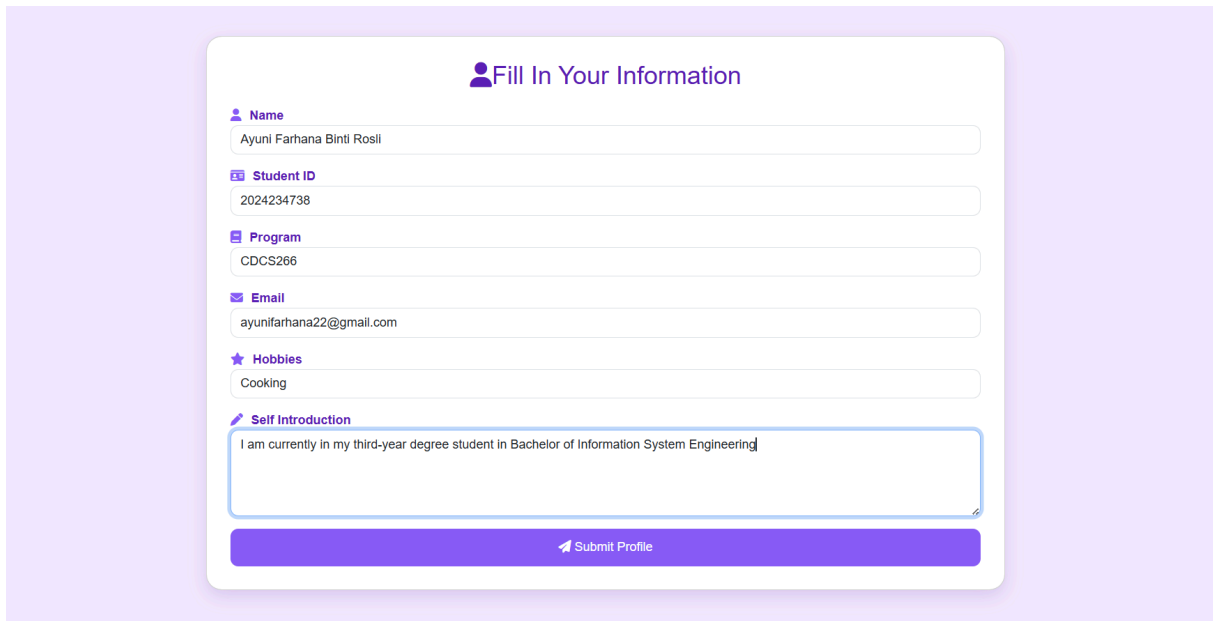

1. Add New Profile
 - User can enter student information and it will be stored in StudentProfilesDB database using JDBC.
2. Duplicate Student ID
 - The system prevent duplicate Student ID from being inserted in database
3. View All Profiles
 - Display all profile records stored in the database
 - Information is presented in a structured Bootstrap table for better readability.
4. Edit Profile
 - Users can update existing profile information
 - Changes are saved directly to the database
5. Delete Profile
 - User can delete profiles record from database
 - A confirmation message is displayed before deletion
6. Search Profile
 - User can search profile using Student ID or Name

SCREENSHOTS OF THE SYSTEM

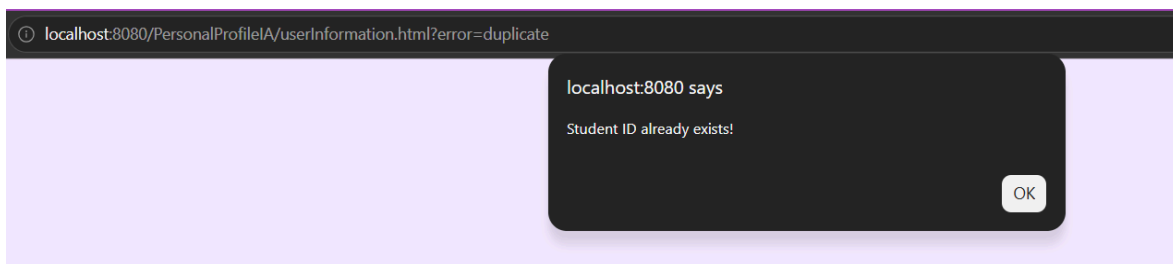

index.html

Insert user information

A screenshot of a form titled "Fill In Your Information" with a purple header and a white body. The form contains several input fields with labels and icons: "Name" (person icon), "Student ID" (ID card icon), "Program" (book icon), "Email" (envelope icon), "Hobbies" (star icon), and "Self Introduction" (pencil icon). The fields are filled with the following text: "Ayuni Farhana Binti Rosli", "2024234738", "CDCS266", "ayunifarhana22@gmail.com", "Cooking", and "I am currently in my third-year degree student in Bachelor of Information System Engineering". At the bottom of the form is a purple button labeled "Submit Profile".

Handle duplicate id

Insert new user information

Fill In Your Information

 **Name**

 **Student ID**

 **Program**

 **Email**

 **Hobbies**

 **Self Introduction**

I am a student who is passionate about learning new technologies and improving my programming skills. In my free time, I enjoy playing games, reading tech articles, and listening to music. I am a curious and motivated person who likes solving problems.
